INTERVIEW SUMMARY

On January 31, 2005, Alan Taboada, Registration No. 51,359, spoke with Examiner Thomas regarding the above-referenced patent application. Mr. Taboada brought to the Examiner's attention that two Information Disclosure Statements, respectively stamped as received by the USPTO on May 6, 2003 and July 28, 2003, had not been initialed and returned by the Examiner during prosecution.

On February 10, 2005, Examiner Thomas informed Mr. Taboada that she had reviewed the references cited in the two above-referenced IDS submissions and that all claims pending in the application remained allowable. As such, Examiner Thomas indicated that she would issue a Supplemental Notice of Allowance along with initialed copies of each form 1449 included in the two above-referenced IDS submissions.
